

May 2005 Newsletter

Visit Starview at Eastpack / Medical Device & Manufacturing East 2005

We are excited to announce that we will be exhibiting at Eastpack in New York City again this year. This show is combined with Medical Device and Manufacturing East. We will have the opportunity to present products to both market segments.

We will be showing the following machines at Eastpack:

- ★ **SB1-1418** **Single station shuttle type blister sealing machine.**
- ★ **MS/PH1-1822** **Single station shuttle type medical package sealing machine.** (See January 2005 Newsletter)
- ★ **PHS6-1418** **Semi-automatic six-station rotary Plastic-to-Plastic Clamshell and Blister Sealing machine**
- ★ **MSP-1218** **Manual impulse heating Skin Packaging Machine.**
- ★ **VGF-40** **Vacuum Packaging Machine.**
- ★ **Olympus-1015** **Two-station manual rotary Film to Tray Food Packaging Machine** with profile Trimming, vacuum & MAP capabilities.

We have a supply of invitations available for complimentary admission to all of the exhibits. Please contact luisa@starview.net or steve@starview.net if you would like free admission to the show. We look forward to seeing many of you there. Mark your calendars!

Need it in a hurry? We have machines in stock.

Starview is committed to meeting customer needs. We carry in-stock a variety of the most popular machines for immediate delivery. The current inventory listing is as follows:
