

Starview Announces a NEW Machine Model: the *All Electric eSB1-1012 Table Top Shuttle*

New in 2019
all electric table top!

Just starting up your blister packaging operation and need a machine that you can just plug into a 110-volt outlet and begin? Starview's all electric table top heat seal machine is now available and is ideal for start-ups, testing, and quality labs.

Coming up in 2019

2018 was a fantastic year for Starview Packaging Machinery! It was our best year to date and we would like to thank all our customers and distributors who helped make it the success it was. We attended several tradeshows across North America and Europe and 2019 is shaping up to be just as busy.
